All numbers above have been calculated based on a ½ mile radius from the point location of your project. Demographics are figured by averaging population numbers over selected census block groups and using the percent of the block group within the project circle to determine the actual counts. Parks and park acres are based on best available source information but may not always contain exact boundaries or all parks in specific locations. Parks acreage does not include major lakes or ocean. Users can send update information to: parkupdates@parks.ca.gov **Data Sources:** Demographics - Claritas Pop-Facts, block group level (Apr. 2008) Parks - Calif.
